HURRICANE HARVEY DISASTER AID

DPS Officers need your HELP!

*When it counted they were there.
It's our turn to help our public servants at their time of need.*

Support DPS Officer Association Members who have sustained losses from Hurricane Harvey and its aftermath. Whenever weather disasters strike Texas, among the premier first responders are our Texas Department of Public Safety Officer Association (DPSOA) Members which includes Texas Troopers, Special Agents, Texas Rangers and Communications Specialists. Our DPSOA members live throughout the state, including the area affected by the Hurricane Harvey disaster. Many of our members have sustained a wide range of losses, from minor damage to their homes or vehicles, to total losses of their homes, autos, and belongings. There are so many suffering through this tragedy... let's not forget these brave men and women working to help others.

DONATE NOW

The Texas DPS Troopers Foundation, Inc. (DPSTF), is a 501c3 charitable organization that assists over 3,400 active DPS Troopers, Special Agents, Texas Rangers, Communications Specialists, and Forensic Scientists, as well as over 1,000 retired DPS law enforcement personnel, many of which may also be affected by such devastating tragedies. This site is dedicated to assist any of the 4,400+ members of the Texas Department of Public Safety Officers Association who have sustained significant damage from the massive storm known as Harvey. From Port Aransas to Beaumont, families are suffering, while many of our law enforcement members are away helping others during this tragedy.

Any donation will help, and 100% of money donated to this site will go directly to our DPSOA members who were directly and significantly financially impacted by damage from Hurricane and Tropical Storm Harvey.

Your donation to DPSTF is 100% tax deductible. Please consult your qualified tax advisor for more information.
