ARMATEK USA SECURITY GROUP INC.

Dedicated To Protecting Your Family, Business and Our Country

ABC'S TO PERSONAL SAFETY

Texas DPS Private Security Board Licensed
C03052601 and F03052701

Armatek USA Security Group Inc.'s ABC's to Personal Safety is a (4) hour course that teaches the individual dynamics of attacks, prevention and easy practical tactics in escapes and counters.

This course is designed for those traveling on vacation, business, and going to school. It is ideal for young adults as they leave home for college.

The participant is taught awareness of how attacks occur, how to take preventative steps to avoid being a victim, create barriers and apply devastating counters.

Instructor: Erwin Ballarta

Erwin has over 31 years of law enforcement experience and trained over 10,000 police officers and military. He has developed a practical approach to self protection that makes it easy to remember and apply. The tactics he developed are simple and effective. Erwin was the Defensive Tactics Coordinator for The Texas Department of Public Safety instructing both DPS recruits and incumbent officers. He is currently on the Texas Police Association Advisory Board, member of the Department of Public Safety Officers Association and is an adjunct instructor at Sam Houston State University for the Law Enforcement Management Institute of Texas.
